Telene SAS to be at JEC Composites Europe March 8-10, 2016

Telene SAS participates during the JEC WORLD 2016, located for the first time in Paris Nord Villepinte on 8, 9 & 10 March 2016.

The Telene team awaits you in Hall 5 - Stand L61.

JEC World will highlight two Telene PDCPD applications related to Waste Water Treatment and Off-Shore in the JEC's Sustainable Development area.

Feel free to schedule your appointment via info@telene.com to ensure our availability.
